HOTSY CLEANING SOLUTIONS **WASTE MANAGEMENT**

We've been cleaning specialists in the **waste management industry** for **over 40 years**.

Because clean equipment lasts longer, Hotsy pressure washers pay for themselves in early detection of oil leaks and potential repairs. A Hotsy also keeps dust and dirt from choking the cooling system and overheating the engine.

- Choose from over 80 models
- Hot water gas engine machines built to be easily bolted to trailers or truck beds
- LP and Natural gas stationary units for equipment rooms and wash bay applications
- Portable oil fired units for multiple locations
- Heavy welded steel frame and chassis; durable powder coat paint resists years of corrosion and rugged use
- Gas engine belt drive units will draw water 12-ft to themselves; easily adapted to water tanks, water trucks and ponds
- Designed and built to use with high-pressure detergent for heavy-duty, caked-on dirt, grease and grime
- Hot water cleans best and Hotsy is North America's #1 Name in High-Pressure Cleaning Systems

Hotsy pumps carry a 7-year warranty and a 5-year heater coil warranty. All Hotsy models are ETL-Certified to rigid UL safety standards.

Clean Better with Hotsy Detergents

Hotsy pressure washers and parts washers clean best when matched with specially formulated Hotsy detergents. More than 40 liquids and powders meet every cleaning need imaginable. Nearly all contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved. All are highly concentrated, so a little goes a long way.
